STATEMENT OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Please review and enter the following remarks summarizing the interview conducted on April 23, 2010.

REMARKS

On April 23, 2010, a telephonic interview was conducted between the undersigned and the Examiner's supervisor¹, John Hayes, concerning the current rejection of the claims based on Kara (2005/0071297). Specifically, the undersigned pointed out that Kara is not prior art to the application, as Applicant previously argued. Examiner Hayes agreed that the rejection was improper and further agreed to withdraw the current Office Action of January 11, 2010, so that no response is necessary. The Examiner will be issuing a new Action.

¹ The undersigned left a voicemail with the Examiner requesting an interview, but the Examiner never returned the call.

It is respectfully submitted that the instant STATEMENT OF SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§1.2 and 1.133 and MPEP §713.04.

It is believed that no petition or fee is required. However, if the USPTO deems otherwise, Applicant hereby petitions for any extension of time which may be required to maintain the pendency of this case, and any required fee, except for the Issue Fee, for such extension is to be charged to Deposit Account No. 19-4880.

Respectfully submitted,

/Brian W. Hannon/
